

DURABILITY, STYLE & ENERGY EFFICIENCY

Setting the standard in quality and innovation, our uPVC window profiles offer unmatched durability, energy efficiency, and sleek modern design for every space.

Premium uPVC Window Profiles

ABOUT US

Raviraja Industries Pvt. Ltd. is a premier manufacturer of uPVC profiles, leveraging state-of-the-art technology. Our mission is to blend advanced knowledge, cutting-edge innovation, and years of expertise to deliver superior quality and groundbreaking designs. Utilizing European technologies and methodologies, we create products that inspire and set new market standards.

ENGINEERED FOR STRENGTH

ADVANTAGES

Durable

Energy Efficient

Aesthetically
Appealing

Sound-proof

Safe & Secure

Eco-friendly

Weatherproof

Termite-proof

- We take pride in manufacturing LEAD-FREE uPVC profiles that are eco-friendly and fully recyclable.
- Our raw materials are predominantly sourced from India, complemented by high-quality inputs from globally recognized suppliers in France, Japan, and Korea.
- At Raviraja Industries, we craft uPVC profiles with innovative designs, developed in collaboration with some of the world's leading mold-making companies.

INFRASTRUCTURE

Raviraja Industries boasts a cutting-edge, state-of-the-art infrastructure spanning 10,000 square meters. Engineered for maximum efficiency and innovation, our facility features fully automated machinery and advanced equipment, ensuring seamless and precise manufacturing processes.

With a strong production capacity of 3,600 metric tons per year, we are dedicated to delivering superior-quality products that cater to diverse industry needs. Our robust infrastructure underscores our commitment to excellence, reliability, and scalability, establishing us as a trusted leader in the industry.

QUALITY & INNOVATION

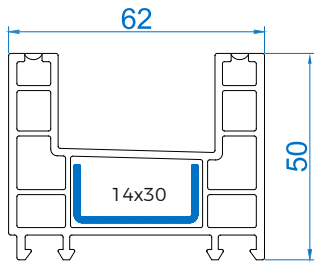

We proudly produce lead-free uPVC profiles that are environmental friendly, durable, and easily reusable.

The primary raw materials are sourced domestically within India, along with additional premium materials from France, Japan, and Korea.

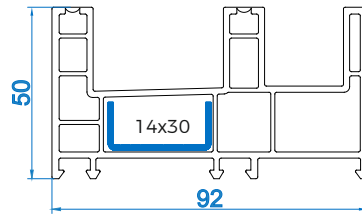

Raviraja Industries manufactures uPVC profiles with innovative designs, developed in collaboration with one of the world's leading mold companies to ensure superior quality and precision.
